

Verse 2. Cold winter's day some one is feeling blue. Somebody sighs
 Somebody cries. Somebody's heart beats true. She closed her eyes but a surprise
 She finds a note that read: Dearest be true. I'll come to you. Thank you, I said.
 Rainbow Verse 2. Then the rainbow shone out smiling from the summer sky, and when she
 saw this sign she sighed: How can't you see it's pale the cried: Dearest be true and be happy
 under: Brighter than the rainbow beamed the love lighting her eyes and as they saw the home
 that night. Beneath the moonbeam's silvery light. Left the song well.
